## Statement of Commitment

All Members are required to sign the Statement of Commitment and **submit their Sustainability and/or Environmental Policy Statement**, in order to complete their application. The documents should be signed by the Chief Executive or person authorised to sign on behalf of the organisation. *(You can either paste an electronic signature - or print, sign and scan.)*

Developer members are additionally required to exceed the local building standards in a sustainability context in the country where they are developing, and to recognise BREEAM, LEED or a local sustainability construction and certification methodology.

### Statement of Commitment

- To develop and practice your business interests sustainably and in consideration of your impact on the environment and local communities.
- To inspire member developers and fellow professionals to build and conduct their business interests in a sustainable and socially responsible manner.
- To contribute time, knowledge, best practice and resources to the alliance's and other members' benefit.
- To attend Sustain Worldwide hosted events, including seminars, workshops, and conferences where possible.
- To support the alliance's work by paying annual membership fees in a timely manner.
